## FARM FRESH

Whether you're heading to Napa's Carneros Inn for the weekend or just stopping by for a bite during an afternoon of wine tasting, be sure to check out **Farm**, the inn's new restaurant and bar. A seasonal menu features locally grown ingredients and is intended to enhance a 300-plus-bottle wine list. The 120-seat space mixes contemporary details—walls of wine storage are illuminated by a rotating display of colored lights—within a decidedly farmhouse atmosphere featuring exposed rafters and board-and-batten walls. Outside, the pavilion lounge offers a laid-back place to enjoy selections from the bar menu. 4048 Sonoma Hwy., Napa, 707-299-4352, [thecarnerosinn.com](http://thecarnerosinn.com).
